

CLINICAL EDUCATOR IN BIOKINETICS

(Permanent, Part-time: 25 hours per week)

Division of Physiological Sciences

Department of Human Biology

Faculty of Health Sciences

The Department of Human Biology, which is a vibrant multidisciplinary Department in the Faculty of Health Sciences, is seeking to appoint a Clinical Educator on a **permanent (part-time post, 25 hours per week)** to specifically assist within the Undergraduate and Postgraduate Biokinetics Programmes housed within the Division of Physiological Sciences.

The Division of Physiological Sciences is a dynamic and active division which engages in undergraduate and postgraduate teaching. Postgraduate training and research within the Division spans several disciplines including Physiology, Neurosciences, Human Nutrition, Biokinetics, Exercise Science, Sport and Exercise Medicine and Sleep Science. The Department has well-equipped laboratories, which includes a Biokinetics Teaching Laboratory, and we have a strong clinical link with the Sport Science Institute of South Africa. The Department offers a Bachelor of Medical Science Honours in Biokinetics and a Master of Philosophy in Biokinetics; and has a vibrant and diverse postgraduate community.

We are seeking to employ an experienced, motivated Clinical Educator in Biokinetics. This is a permanent part-time post in which the incumbent will primarily be required to teach clinical skills and provide clinical supervision in Biokinetics. The incumbent will be required to assist with the opening of a primary or secondary biokinetics practice in affiliation with the University of Cape Town. In addition, this person will also work with existing staff to assist in the planning, development, and implementation of a new four-year professional degree in Biokinetics.
