

THE FUTURE IS **BRIGHT** WITH **HOLLYWOOD Foundation**

BURSARY PROGRAMME

Through the Hollywood Foundation's My Education Pillar, the Future is Bright Bursary Programme strives to empower students nationwide, bridging the transition from high school to tertiary education.

Through our holistic support programmes, we focus on equipping students with the essential knowledge, skills, and abilities needed for a seamless entry into the workforce.

REQUIREMENTS:

- A motivation letter outlining why you deserve the bursary and the relevance of your chosen qualification.
- Detailed information about your qualification, including the subjects and study programme.
- The name and address of the registered university where you intend to study.
- Proof of university application or an acceptance letter, if available.
- A proforma invoice from the university indicating the total cost of the qualification. If unavailable, please provide an estimated fee for the full academic year based on information from the university's official website.
- Your latest academic results.
- Proof of your residential address.
- A certified copy of your ID, issued within the last six months.

TO QUALIFY, THE FOLLOWING CRITERIA MUST BE MET:

- **Grade 12 learners:** Must have a minimum average of 65% overall.
- **Current tertiary students:** Must have a minimum average of 60% in your most recent results.
- Must be a South African citizen (for external applicants only).
- Proof of University application/ Acceptance letter if available.
- **Duration of qualification** must be 12 months and longer
- You must apply to or be studying at a South African tertiary institution that is registered with the Department of Higher Education and Training (DHET).
- Incomplete applications or applications with incorrect information will be disqualified.
